HIGH QUALITY LIVING SPACE

What better than a home that encapsulates a little bit extra on comfort, pride, affordability and all that you need to make it an address that elevates your everyday life. Rawda Heights is situated in the heart of Nairobi, it ensures that you never have to go far to access all that you would ever need. A home that will cut down on your time spent in traffic and instead present you with leisure time.

Each apartment consists of spacious bedrooms including a master bedroom suite, a generous living and dining room, a spacious kitchen, a pantry, and a utility room.

Finishes applied across the apartments will be of good quality and will include wood look tiles. All rooms benefit from large glazed openings including Full doors in living areas and large windows for bedrooms.
